

Welcome home, cousin

Selamat datang —

Inside this envelope is **one Peranakan item card**. That card is your seat at the table tonight.

1. **Open your card** — see what item you got.
2. **Find four cousins with four different items** — Kerongsang 🌹 · Kebaya 👚 · Kamcheng 🥰 · Tingkat 🏠 · Jam Saku 🕒. Five of you, five different items, one team.
3. **Sit together** at one corner of the long table.
4. If you drew *Cherki* 🎴 — that is the wildcard. Pick any team, walk over, sit down. They cannot say no.
